INTEGRATE CS INTO
WHAT YOU ALREADY
TEACH!

Event Highlights

CS Standards – What Are They?

Learn the basics of Florida CS standards and how they support problem-solving and digital skills in K–5

CS Integration Made Easy

Discover simple ways to blend CS into ELA, math, science, and more—no extra class time needed!

Hands-On Tools & Activities

Explore student-friendly coding platforms and unplugged CS lessons you can use right away

Boost Student Thinking

Use CS to strengthen critical thinking, problem solving, creativity, and teamwork in your students
